# STEVE TANDY

Introducing Steve Tandy, the complete after dinner entertainer. Mixing impressions of stars such as Alan Hansen, Chris Eubank, Seve Ballesteros, David O'Leary, Billy Connolly, Rolf Harris, Jethro, Mike Reid, Ozzy Osbourne, the cast of Coronation Street and too many others too mention, with gags and stories gives you a speaker with a difference. Over the years Steve has also perfected his auctioneering skills, giving you an auction the likes of which you will never see again, mixing comedy with the serious business of raising money for various charities. He will also draw the raffle which allows Steve to occasion even more hilarity. He will also, if asked, say Grace and act as Master of Ceremonies for the whole evening, leaving the organiser of any event to relax, leaving the smooth running of the event in the experienced hands of a professional. From Grace to Carriages Steve Tandy will make your evening one to be remembered.

Born in Birmingham in June 1962, Steve's career started in the school playground where he started doing impersonations of the teachers and television stars of the day. At the age of 14 he was upsetting the neighbours by learning to play the drums! In 1980, at the tender age of 18, his showbiz career began when Steve played drums in a comedy show band, touring this country and abroad for the very first time.

In 1985 Steve joined with another impressionist to form a successful comedy duo, and after encouragement from friends and family Steve decided to go it alone in 1987. Within a few months Richard Holloway, producer of New Faces of '88, spotted him and invited him to appear on the show. Steve won his heat, both in the studio vote and the telephone vote, and went on to appear on live television on the all winners final.

Around this time he discovered golf. He became, and still is, a golf nut. This came in very handy later in his career, as he now participates in many golf day functions.

Steve was back on television in 1995 when Carlton Television brought back the popular impressionists show "Who Do You Do"

After his win on New Faces, valuable experience was gained in every aspect of the business. Theatre tours with The Drifters, summer seasons for Butlins and Haven Warner, Clubs the length and breadth of the country, corporate entertaining, sporting dinners, golf clubs, all variety of after dinner entertaining. All this was to provide Steve with invaluable experience in how to tailor his material to suit the audience in front of him. Steve's talents have taken him as far a field as Singapore, Belize, Germany and Monte Carlo.

One of his favourite moments in his career came during a dinner for Warwickshire batsman Andy Moles benefit season in the House of Lords, where Baroness Fisher heckled him!

So, in conclusion, if you require a speaker with a difference along with a wealth of experience, then Steve Tandy is for you.

This will include organising raffles and any other fundraising activities (stand up sit down bingo, heads & tails ect). Steve is an absolute golf nut who will join in the days golf, often using the days events in his speech with hilarious results. Testimonial Committee

Dear Steve,

**TESTIMONIAL DINNER**

Just a short note to congratulate you on a marvellous performance at the above Dinner held in the Signals Lounge for Shaun and Steve's Testimonial. It was as they say 'just right' and everybody thoroughly enjoyed a great evening.

The real reason however for writing to you is to thank you so much for taking charge of the 'auction'. When the first shirt went for £35 I think the whole Committee was in a state of shock. Through you taking over however the prices soon jumped to £300, £750 and ultimately £1,000 resulting in a total profit for the evening of nearly £10,000. Thank you again for your efforts, particularly as you weren't hired to do the auction and still didn't take any recompense for it at the end of the evening.

I do look forward to meeting you again when the Baggies visit on December the 15th. I suppose after your kindness I have to say that a draw would be a fair result but I have got a feeling in my water that we might just snatch it!!

Once again many thanks.

Yours sincerely,

Dear Steve

Many thanks for a super show on Saturday - in the face of an audience where a small contingent were less than attentive.

The speakers in the top left of the room were not working properly and the people sitting there could not hear you ....nor me, apparently.

Thanks again. No doubt I'll see you in Southampton.

To whom it may concern

Reference for Mr Steve Tandy (Comedy Impressionist).

I originally booked Steve for our christmas dinner after seeing him at a "beanjoulain nouveau" golf compy dinner in the October. My sides where aching two days after the event and everyone who attended agreed he was special.

Steve duly turned up two days before Christmas for our party and joined us for a round during the day before his gig. My only complaint in the dodgy handicap he plays off but I am sure he is very popular in the pro-celab am-ams, nevertheless he was good company during the day and kept his playing partners constantly amused ( almost for free ).

It is a disservice to limit Steve's description to comedy impressionist as he acted as MC for the whole evening including bingo and prize draws etc. His stand up is unique, mixing celebrity impressions with funny material. He also has the knack of reading the room and he treads that fine line between entertaining and offensive with consummate ease.

I have no hesitation in recommending Steve to anyone needing a truly professional comic talent who is also capable of making an event run smoothly. We have already reserved him for our next big night out.

Yours faithfully

Martin Hill

**RE: SPORTSMAN'S DINNER**

On behalf of Penrith Golf Club I would like to take this opportunity to thank you for entertaining us at the above event. The evening was a huge success, raising over £600.00 towards our fundraising fund.

Your contribution to the evening was the highlight with your constant barrage of jokes and funny stories. The way that you articulately tailored your material to suit both the audience and the club's interests without affecting the end product is a measure of your professionalism. Superlatives such as brilliant and hilarious say and were readily attached to your performance. Needless to say we have had nothing but compliments regarding your performance and would strongly recommend you to any organisation for a similar style of function.

Dear Steve,

I had to write to congratulate you on organising the fantastic Day at Purley Chase. From the very start everything ran smoothly and efficiently. You had a special celebrity guest would come along on the day, again you delivered by bringing Steve Gribben who entertained everyone all day and the evening as well.

The event was a great success raising nearly £5000 for DEBRA and everyone is looking forward to see you again with many people booked already.

You ran everything on the day and night, very professionally and acted as MC, audience and after dinner entertainer, everyone thought your impressions and comedy extremely funny, a great job was had by all.

I would have no hesitation in recommending you to anyone who needed a well run event.

Once again thank you and hopefully see you next year!

Dear Steve,

I am writing to you with reference to your performance last night at our 12th Birthday celebration.

May I, on behalf of the Captain, committee and members of the golf club, offer you our congratulations on your performance. As you are aware we had had trouble all day with high winds which was causing chaos with our marquees. Therefore, your performance was switched from the marquee to the clubhouse which, in turn, had a power-cut but with the use of a backup generator you were able to successfully entertain all those present.

We would particularly like to say thank you in the way you slightly adjusted your act because of the weakness of children present. I think it only goes to show what a good comedian you are to put on a show like that for an hour plus and not at any stage use swear words or crude language.

I have no doubt that we will be booking you again in the near future.

Yours sincerely,
